

Career Services Assignment Week 2 – GitHub Profile Setup

Points possible: 50

Category	Criteria	% of Grade
Completeness	All requirements of the assignment are complete.	100

Instructions: Follow the steps below to set up your GitHub account profile. After watching the video, *Source Control with Git Overview*, you should have already set up a GitHub account for this program. If you have not setup your GitHub account, review the above video in Week 1's curriculum and set your account up before proceeding with this assignment.

1. GitHub should not be thought of as a resume or networking tool as much as it should be a place to showcase your work and code. To that end, having a GitHub profile that is personalized shows potential employers or clients that you care about your work.
2. Now that you are set up with GitHub, let's get your profile page ready to go!
3. First, upload a high-quality headshot to your profile page.
4. Next, update your profile to discuss what you do and what you are learning. You have to think about this one, because GitHub doesn't give you too many characters to accomplish this task.
5. Follow at least three (3) of your classmates, teachers, or any repository of interest to you.
6. Go to one of your repositories and update the **About** section to discuss what the purpose of the assignment is and tag the languages used like below:

7. Finally, add a link to your GitHub profile on your LinkedIn page.

Attach Screenshots of Your Finished GitHub Profile Below

The screenshot shows the GitHub profile of R.K. Mellinger. The profile includes a bio stating "After 15+ years in Gaming and Casino work, I'm working to learn coding. So far I've got some JavaScript and HTML, in here, can't wait for more." It features a contribution graph for the last year with 29 contributions. The repository list shows a folder named "Promineo" with 21 commits. The README.md file is visible, containing the text "# Promineo".

The screenshot shows the LinkedIn profile of R.K. Mellinger. The profile includes a bio stating "After 15+ years in Gaming and Casino work, I'm working to learn coding. So far I've got some JavaScript and HTML, in here, can't wait for more." It features a list of connections, including "Free Ebook Foundation", "John Washam", and "Kristina Macias".

The screenshot shows a LinkedIn post by R.K. Mellinger. The post includes a photo of the user and the text "Just a link to my GitHub where you can see some of my web based projects." The post is titled "R.K. Mellinger GitHub" and is categorized as a "Link".
